

International Transfer Card from the Swedish Ice Hockey Association

Please be advised that SIHA is very willing to co-operate in the processing of transfer cards that will allow Swedish players to play for your Federation.

However, please be aware that upon our issuing a transfer card on behalf of the specific player to your club, you are agreeing to the IIHF rules and regulations outlined in the International Transfer Regulations section 11 (Release of a Player for National Team Games) of Part I of the IIHF International Transfer Regulations.

It is imperative that club teams understand that SIHA may select players from any team and it is the club's responsibility to release the player. The club team is obligated to do so as outlined in the IIHF Rules and Regulations in International Transfers.

11.1 Any club that has registered a player who is eligible under IIHF By-Laws to play for national teams of a member national association must, in the event that he is selected for one of its representative teams, release him to the member national association for which team he is eligible to play, irrespective of age and in accordance with the IIHF International Transfer Regulations, which in this respect includes all players whether transferred or not.

11.6 Any player registered with a club is obliged to respond affirmatively when called upon by the selecting national association to play for one of its representative teams.

NOTE to 11.1 Representatives teams are defined as any official SIHA National Team program such as to SIHA's National Teams participation in tournaments and matches during National Team Breaks during the season.

SIHA has adopted a policy regarding the issuing of International Transfer Cards. Prior to issuing the player card, the respective club and player must sign this document stating that they fully understand that the respective player will be made available to Sweden at any time that the player may be required to play for SIHA's National Team.
